PROFILE

I'm a skilled Full Stack web developer proficient in efficient problem-solving. I'm committed to continuous learning and eager to acquire new skills and experiences. Currently seeking opportunities to demonstrate my expertise and contribute effectively to projects.

WORK EXPERIENCE

Web Developer Intern

CodeClause 📍 **India**

📅 **05/2023 - 06/2023**

- Achieved project milestones within the internship, playing a vital role in advancing innovative web-based solutions and development.
- Elevated UX via adept frontend tech, enriching site functionality and user experience with seamless implementation.
- Developed dynamic and responsive websites using HTML, CSS, JavaScript, and other web technologies.
- Showcased diligence, hunger for learning, and adept project management skills.
- Key to internship success is gaining valuable web development experience concurrently.

PROJECTS

E-Commerce Fusion

- Utilizing React JS and Bootstrap for dynamic, responsive, and engaging user interfaces.
- Harnessing the power of PHP, Node.js, and Strapi for robust server-side logic, real-time features, and streamlined content management.
- Ensuring seamless transactions with Stripe while maintaining PCI DSS compliance for enhanced payment security.
- Emphasizing user experience through intuitive navigation, efficient search, and personalized product recommendations.
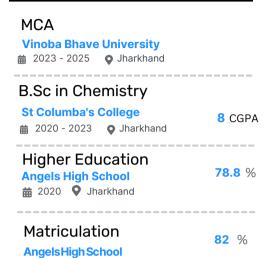

NewsReader

- Developed newsreader web app using MERN stack and Bootstrap.
- Encompasses diverse categories: sports, entertainment, health, etc.
- Ensured responsive design for seamless access on various devices.
- Showcased full-stack skills and user-centered information delivery approach.

MI-Clone

- Created MI website clone.
- Utilized React for the front end.
- Emulated MI's features and design.
- Demonstrated proficient web development skills.
